

stars China symposium 2020
China and the Global Race for AI Supremacy
19-22 October 2020
Shenzhen, Futian Shangri-La

Objectives:

- Get on-the-ground impressions in Shenzhen through visits and discussions with global high-tech champions like Huawei, Tencent and BYD, AI unicorns like UBTECH, DJI and iCarbonX, as well as with Shenzhen's leading university SUSTech
- Broaden the horizon to better understand major global and Chinese trends which will impact business and society over the next three to five years, like the China-US Competition, Supply Chains in an Era of Deglobalization, Big Data, AI and Digital Disruption, and Business Risks and Opportunities in China and the World 2030
- Engage in interdisciplinary and intercultural dialogue to share experiences with peers across industries and from around the world and contribute to the personal development to drive responsible and sustainable actions
