

stars China symposium 2018
China - Back to the Future
22 - 25 April 2018
Shangri-La, Chengdu

Objectives:

- Gain a better understanding of China's economic, political, scientific, environmental and social trends and developments which will impact business and society worldwide over the next 3-5 years.
- Broaden the horizon through interdisciplinary and intercultural dialogue between top speakers and participants from companies and other organizations from China and all over the world.
- Get on-the-ground impressions of the rapidly growing IT and high-tech ecosystem in Pidu, including discussions with a range of tech companies from local start-ups to global champions.
