

## stars Partnerships: Sponsoring Opportunities

- **Platform Partners**
- **Symposium Partners**
- **Scholarship Partners**
- **Friends of stars**
- **stars Donors**

### Platform Partners

(industry exclusive)

#### Benefits

##### Event participation

- Opportunity to delegate a speaker per year to any Symposium during the sponsoring term to contribute to a topic of the programme
- Two of the limited number of participants' seats are reserved for the Platform Partner's nominees at each Symposium (regular nomination criteria and registration fee apply)
- One of the limited number of participants' seats are reserved for a Platform Partner's clients or prospects at each Symposium (regular nomination criteria and registration fee apply)
- Attendance of one Platform Partner's representatives as day guests at each Symposium
- Attendance of one Platform Partner's representatives at each alumni chapter meeting.
- Opportunity to participate at the stars alumni study tour (regular registration fee apply)
- Access to any additional programmes and activities organized by stars (e.g. stars study tours, stars alumni chapter meetings)

##### Exclusive network

- Opportunity to directly reach an elite circle of possible clients
- Outstanding networking opportunities at high level and access to global key decision and opinion makers
- Access to the stars alumni network (chapter meetings, study tours, alumni newsletters, other projects)
- Recommendation and facilitation of top speakers for Platform Partner's own events

##### Branding platform

- Logo on all stars printed and electronic communication (website, stars insights, newsletters, conference documentation of symposia in Switzerland, Singapore and China, and stars study tours as well as alumni chapters and Friends of stars meetings)

- Creating, enhancing and broadening brand awareness at a cutting-edge and innovative platform
- Opportunity to include own material (e.g. research studies, articles) as stars insights, or in the stars alumni newsletter and on the website
- Additional advertising opportunities during the Symposium, including a separate company flyer in the conference documentation, the display of brochures or setting up an unmanned company booth at the Symposium venue (at own cost)
- Regular updates on the developments of stars and exchange with Executive Chairman and Board Members

### **Financial contribution**

- Sponsorship fee: CHF 150'000 per year (The Tax Commission of the Canton of Schaffhausen, Switzerland, has recognized the stars foundation as a non-profit organization. Contributions to stars are, therefore, fully deductible from the income.)
- Duration of contract: 3 years

- Invitation to open doors to speakers and companies/participants
- Invitation to open doors to potential donors, partners

## About stars

- stars Vision: Founded in 2008, **stars develops better leaders of the next generation and wants to be the premier platform for these future leaders.**
- stars brings together renowned global experts and business leaders with **talents who are typically 1-2 levels below C-level, nominated by their top management and have the potential to move up to C-level in the next few years.** The participants come from all over the world and from different sectors, mainly from business but also from science, politics, culture, NGOs and the media.
- stars organizes **three annual symposia** in [Switzerland](#), [Singapore](#) and [China](#). **For a complete overview of upcoming symposia click [here](#).**
- During the highly interactive events, participants team up to **scan the horizon** and explore trends and challenges that will inevitably impact society and business in the next few years.
- As of 2020, the [stars alumni network](#) comprises over **2'300 former stars participants from over 100 countries** and it grows by 200 alumni every year. Over **800 alumni** have moved up to **C-level** or **similar position**. There are **15 regional stars alumni chapters** all over the world and **stars alumni study tours** explore particularly interesting countries and regions.
- stars regularly hosts [stars webinars](#) and publishes [stars insights](#), which are exclusive contributions by business leaders and experts who scan the horizon to discuss geopolitical, economic, technological and further trends and developments which will impact society and business in the next few years.
- Globally leading companies and institutions are our [partners](#): **Evonik, GIC, Hilti, JT, LafargeHolcim, Novartis, PSA, PwC, Roche, Sika, Swiss Re** as well as **Thomas Abegg Foundation** and **Jakob and Emma Windler Foundation**.
- A **study of the University of St. Gallen** found that **stars is unique worldwide regarding the target group, i.e. participants of 1-2 levels below C-level, and strategic focus, i.e. horizon scanning.**
- stars is a neutral, independent, not-for-profit organization registered in Switzerland. More information about stars can be found in our brochure [stars at a glance](#) or on [www.the-stars.ch](http://www.the-stars.ch).
