

stars Switzerland symposium 2022
Disruptions All Over - Impact and Perspectives
24-27 September 2022
Schaffhausen, Vienna House and Stein am Rhein, Buergerasyl

Objectives:

- Broaden the horizon to better understand major global trends which will impact business and society over the next three to five years, like Disruptive Technological Developments (AI, Robotics and Mobility), US-China Competition, Climate Change, Global Leadership, Food Security as well as latest research regarding mRNA-Technology
- Engage in interdisciplinary and intercultural dialogue across industries and from around the world
- Contribute to the personal development to drive responsible and sustainable actions for a more resilient world beyond Covid-19
